GET READY  
MOVED BY YOU  
BLESS THE LORD  
FOUND  
ALL I NEED  
WHO WILL GO?  
FREEDOM  
LIVES LIGHT UP  
ONE LIFE  
ALL OF THE DAYS  
STARTING FIRES

## **GET READY**

**Get ready, the time is here now  
The time that God will open hearts,  
Get ready, the Spirit's moving  
Across a world He wills to save**

Make the way straight for the Lord,  
Rough places smooth and steep hills plain;  
Salvation comes bursting forth  
From Zion's hill flows Jesus' blood

And His Glory is filling all the earth  
It's lighting up the night;  
The lost will see the way  
From death to life!

**Get ready, the time is here now  
The time that God will open hearts,  
Get ready, the Spirit's moving  
Across a world He wills to save**

There are no borders for His love,  
No limits on what He can do;  
He's moving through the ones who will  
Respond to all He wants to do

*Holy Spirit You are  
Welcome here  
Every moment, every day  
Your will, Your way*

## **MOVED BY YOU**

What would move me  
To leave my home  
With its yard on this nice little street  
Change of seasons left for reasons  
Like being where the bugs can take you away  
I can't imagine all the heat and the sweat  
I will have to endure  
And the football isn't football  
Just a bunch of men kicking a ball!

**Take me down, break me down  
Pick me up and turn my world all around  
Bring Your ways into view  
Ways I never knew until You made me new  
It's not just believing You  
that will change my world as I sit in a pew  
I must leave behind my world  
and be moved by you**

To love God, to love man,  
That's the story, the way it is in His plan  
People looking somewhere  
for lives lived differently than all the rest  
Jesus frees us to be his hands and feet  
In his kingdom of light  
If we don't go, than we won't know  
All that's in store for those who live for Christ

*Who will go and be hands?  
Who will go and be feet?  
Who will go for Christ?  
Who will bleed for Him, love for Him?*

## **BLESS THE LORD**

Bless the Lord, O my soul,

    bless His Holy Name!

Bless the Lord, and forget not His benefits:

He forgives all of your sins, every single one

He heals all your diseases, every single one

He redeems you from hell, He saves your life!

He crowns you with love and mercy,

A paradise crown for your head!

He wraps you in goodness and beauty eternal

He renews your youth,

    you're always young in Him!

**And our God is an awesome God**

**With epic power to heal and to save,**

**In His love for us He opened up**

**A path through the grave!**

**And He is our rock, He is our strength**

**He is our peace amidst the storm**

**Bless the Lord, O my soul**

His great love is with those who believe

    and worship Him

Nothing and no one nowhere can take it away

As for man, his days are like grass,

He flourishes like a wild flower;

Then the wind blows and takes it away,

and its remembered no more.

But stronger than death, longer than life,

Proven through the grave and death;

The power of Jesus, risen to life,

To heal and to save,

Bless The Lord, O my soul!

## **FOUND**

I lift my eyes up,

from where will my help come?

From the depths I cry out and I, cry to You.

Weary and tired,

from where will my help come?

Desperately seeking, oh, I look to You

*Every little thing,*

*All that I need comes from You,*

*Every little bit, all that I have comes from You,*

*Even life itself, all that I am comes from You*

*It's in You*

**All of my hope is found in You,**

**Found in You**

**All of my strength is found in You,**

**Found in You**

**All of my joy is found in You,**

**Found in You**

**All that I am is found in You,**

**Found in You**

## **ALL I NEED**

Nothing else compares  
To the greatness of knowing You;  
Each day I want You, Each day I seek You,  
That I might know You more

### **You are all I need**

Your love will never change  
Each day, always the same;  
Drawing me closer, Taking me deeper,  
You alone satisfy

### **You are all I need**

*Of all the things You've given,  
Of all the things You've done,  
There is just nothing quite like  
Your presence in my life*

## **WHO WILL GO?**

Jesus once said, "The harvest is great  
but the workers are so few"  
Jesus also said, "Go and make disciples  
of all of the nations"

**Open your eyes to see the white harvest**  
**It's so ready, it's so ripe;**  
**Who will go for Christ and make disciples**  
**Before the harvest is long gone?**  
**Who will go?**

Jesus only did the will of the Father  
by the Holy Spirit

Jesus baptizes with Holy Spirit fire  
All of those who believe in His name

*Who is willing to do Your will completely?  
Here I am, Lord Jesus, I am ready  
Send me! Yes, Here I am!*

## **FREEDOM**

I feel the Spirit of the Lord moving upon me,  
The anointing of the Lord is here;  
Declaring that this is the day of jubilee,  
No need to carry all your burdens anymore

**Oh — Freedom for those who call on God**  
**Oh — Pardon for all prisoners of sin**  
**Oh — Recovery of strength for the weak**  
**Oh — Yes freedom is here!**

*Jesus paid the price at Calvary  
for every sickness, debt, sin and disease;  
The greatest gift for free  
All wrapped up in incarnate mystery  
That God would give his Son  
For helpless sinners, loving every one  
By his blood we stand,  
Forgiven, healed, restored and set free*

## LIVES LIGHT UP

There is no life apart from You,  
There is no higher purpose than Your will;  
There is no greater calling than living for You,  
You lead us in victory in all that we do!  
To God be the glory forever and ever!

**Lives light up with praise in Your presence,  
Joining with angels we sing your fame;  
Set our hearts on fire with Your Spirit,  
Igniting passionate lives for You!**

So dance and shout  
And jump, Praise Him!

Then one day I will find  
That my feet are dancin' on streets of gold;  
I will look up and I will see  
My Maker, Redeemer,  
Lord Jesus welcoming me!  
And in His presence we will sing:  
To God be the glory forever and ever!

*Light up my life  
With Your Glory,  
Fan in my heart  
Holy Fire*

## ONE LIFE

Only one life, that's all I have;  
Only one chance to make a difference;  
I cannot do it alone  
I need God and I need you.

I want to be completely committed,  
I want to bear much fruit  
When I arrive in heaven I want to hear:  
"Welcome, my good and faithful son"

**We've only one life to live  
and soon it passes away  
Only what's done for Christ  
will last for all eternity  
And so I press on towards the goal,  
without one look to what's behind,  
To complete the goal of Christ  
that I've been called to do in my life!**

Come along with me, my brothers and sisters  
And act upon ever Word  
That comes down to guide us to a life  
full of the Glory of the Lord!

*Only one life, soon it's past  
Only what's done for Christ will last*

## ALL OF THE DAYS

God of amazing grace, touching my life,  
You have so wonderfully worked  
That I cannot deny Your faithfulness to me  
All of the days of my life

I have chosen Your ways for my life,  
The harder road has brought me here  
To this mountain top, and I can see Your grace  
Over the days of my life

But I'm not alone in my journey  
To Your dwelling place,  
You have guided the steps of another  
Committed to you.

Now you have led us together  
to this beautiful place,  
You will unite us here  
and make our hearts one,  
And we will walk with You,  
All of the days of our lives.

How Your blessings abound, this truly is more  
Than I ever imagined  
I see Your love for me in the way  
That You've answered my deep prayers  
And given so much to me,  
Oh Lord, my God, please make me able  
To love her as You have loved Your own bride!

Now our journey begins, a new path to tread,  
I commit to You once again;  
For You have proven faithful  
Time and time again,  
And I know You will lead us through this life  
And unto Your holy throne!  
You are faithful! You are faithful!

Lead us into Your promise,  
Use us for Your glory,  
We will follow You forever,  
You'll bind us together  
through loving You.

And we will walk with You  
All of the days of our lives.

## STARTING FIRES

When I was a child I loved to start fires on our family outings.  
We would gather lots of twigs, set them up and then light the match.

It's amazing how a little flame can start a large fire.

Today I still like to light fires but with a different type of match.

The match I use is Jesus love.

It's amazing how just a little love can start such a large fire  
that someday will consume the world.

There are millions of people who only need a spark to set them ablaze.

You and I can be the ones to strike the match.

*Ruth Hrubik Reutter* — age 15

## To ignite a passion...

Jesus came to start a fire that would burn brighter and brighter until it took over the whole world. It is the Fire of His Holy Spirit ignited in the hearts of all those who believe and act on His Word. What is happening today was prophesied thousands of years ago: His Glory spreads to every tongue, tribe and nation through his willing servants. This album is dedicated to each and every fire-starter who has, by faith, given his or her life to see God glorified, the Gospel preached and disciples made. It is dedicated to all those faithful who came before us, to the ones currently working the harvest, and those yet to come. You have the highest calling that anyone could have — you have a most essential part to play in God's great design and I admire each and every one of you. This album is dedicated to you!
